## March 2021 Newsletter

TEL:

Welcome to our first Newsletter and tour reminder of 2021. Please see the reverse for some of our excursions and holidays available for the next few months. Due to the expected full unlocking of the country by July it is possible, subject to demand, that we increase the number of holidays on offer and our full excursion programme will be released as soon as we can finalise the dates for the full year. We are truly very grateful and touched by the level of support we have received from you our wonderful clients who have supported us over many years. Now is the time when we need your support more than ever as we look to rebuild and look to the future which we are certain will be bright again. We are delighted to have been able to hold onto our trusty and still very new and unused Mercedes Turismo coach which we feel will be an essential tool for our future. Please stay safe and I look forward to welcoming you aboard very soon.

### HAVE YOU SEEN OUR NEW WEBSITE?

We have invested in a large upgrade of our website, feeling it was time for a new modern look. We are finding more and more people are searching for us via the internet and feel it's important that we offer a good first impression. Please feel free to have a look at: [www.druryholidays.co.uk](http://www.druryholidays.co.uk) Details of all our holidays are on the website already and the excursions will be added as soon as we are able to organise them. Also available to download from the website are our brochures and booking forms. You can even email us direct from the site.

### OFFICE HOURS

Please note currently we are having to limit our opening hours in the office to 09.00 - 12.00 Monday - Friday. We expect this to continue for at least the next few months whilst we continue to progress with the re - starting of the Excursions and Tours. We are happy for post to be marked, enveloped and placed through the letter box, however because of the covid rules we are unable to open the door at present. Out of hours and when the phone is busy we do have a phone message and encourage you to leave a message and we will contact you soon after. We also welcome email contact as we check these regularly.

### SOCIAL DISTANCING ON OUR COACH

We have been asked since the governments roadmap was issued if we will still be operating the social distancing on our coach. The rules, once we are allowed to travel, will be that until at least June 21st we should wear a mask / visor or have a valid medical reason for not using a face covering (PLEASE INFORM US BEFORE TRAVELLING IF YOU ARE NOT REQUIRED TO WEAR A COVERING). Where possible keep a distance of 2 metres on the coach with anybody outside of your bubble. On occasions it may be necessary due to seating arrangement to be within 2 metres. This is within the law.

## DAY EXCURSIONS APRIL - MAY 2021

Subject to the roadmap plans going ahead we hope the following three seaside excursions can go ahead. We have decided as some indoor restrictions will still apply during this time that seaside destinations were a good starting point. We hope to add more destinations including indoor venues once lockdown eases. Our regular pick up points and times apply. Please see website, email: [info@druryholidays.co.uk](mailto:info@druryholidays.co.uk) or call us on 01234 711318
